Education

The City University of New York (CUNY), Borough of Manhattan Community College - New York, NY Spring 2018

Associates of Science: *Multimedia Arts*

Projects

Pokemon API App -

April - May. 2018

- Developed a Pokemon app that takes user input and gives images and description on the specified Pokemon.
- Developed with JavaScript to pull requested data from the API.
- Data is pulled from PokeAPI to make this possible.

Giphy API App -

August. 2018

- Developed a Giphy app that lets users decide what to show on screen with multiple buttons to choose from.
- Worked with another developer and utilized pair programming to achieve our goal with the app.
- Pulled data the Giphy API.
- Can successfully use github/git with another developer.

Relevant Experience

Web development tutor and supplemental instructor
