Education

The City University of New York (CUNY), Borough of Manhattan Community College - New York, NY Spring 2018
Associates of Science: *Multimedia Arts*

Projects

Pokemon API App -
April - May. 2018

- Developed a Pokemon app that takes user input and gives images and description on the specified Pokemon.
- Developed with JavaScript to pull requested data from the API.
- Utilized jQuery AJAX GET HTTP Method to pull in data from https://pokeapi.co

Giphy API App -
August. 2018

- Developed a Giphy app that lets users decide what to show on screen with multiple buttons to choose from.
- Worked in a team of two developers and utilized pair programming to achieve our goal with the app.
- Used https://developers.giphy.com to pull in giphy data for the app.
- Collaborated with another developer using Github and Git for project version control.
